wants to.

Two of Gannon's Wardmen Thomas Murphy Takes Back Were in the Webster House at the Time.

TRIED TO FOOL DOCTORS. SEIZED WITH REMORSE.

Young Man Found Dying in a Appears in Court at Mount Vernon Room-Woman Had Left Her Victim.

Albert Rosenthal, who was taken from the Webster House at No. 110 East Fifteenth street last night suffering from knockout drops, is still in the prison ward of Bellevue Hospital, unconscious, and his recovery is uncertain.

He has revived enough to give his correct name and address, but he has not been able to give a lucid account of his experiences.

Vice-President Levi P. Morton, who had tried to eject his widowed daughter. Mrs. Lucy J. Lindsley, and her cripped son from his home in Mount Vernon. of his experiences.

The Webster House has been raided had his counsel, Stephen J. Stillwell, ap-

twice within a few weeks. In one of the pear before Judge Bennett in the Court raids Capt. Gannon, of the East Twenty-second street station, was caught.
He afterward insisted that the place was respectable, and that it was conducted in a legitimate and orderly manner by a friend of his.

Wardmen Turley and Sweeney, who were in the Webster House when Rosenthal received the knock-out drops, or were so close that they could easily be summoned, tried to shield the hotel, and assured Dr. Auletta, who arrived is an ambulance from Beflevue Hospital, that the man had taken carbolic acid. They even exhibited a bottle containing a weak solution of the poison.

bolic-acid poisoning. The man's lips were not burned and there was no odor of the drug about him. Dr. Auletta also learned that Turley

and Sweeney had poured milk down the man's throat when he sas found unconscious in the room. "Why did you give him milk?" de-

carbolic acid. Milk is not an antidote read the newspapers and books from "We thought it was." answered one of the wardmen.

Milk is an antidote to chloral poison ing, and every policeman in New York knows that chloral is the drug most commonly used as a "knockout."

When the 'patient, who was uncon sclous, was taken to Bellevue, Dr. Blakeslee examined him.

"The man had not taken carbol acid," says Dr. Blakeslee, "That much is certain. He had some symptoms of chloral poisoning, though I canno make a positive diagnosis until I have studied the case more.

"The patient has been unable to tell anything about himself and he is still in a dangerous condition. He has de nied taking carbolic acid or attempting to commit suicide." Rosenthal went to the Webster House

about 5.30 vesterday afternoon in com pany with a woman known in the vic

About 7.30 P. M. the man was four unconscious lying on the bed, partially dressed. The woman had left. At Believue the patient was entered as

being taken from No. 140 East Ffiteenth street, but the entry on the "slip" reporters say was afterward altered, the "I" being changed to a "4." There is no house at No. 440 East Fifteenth stree The alteration of the figure was made with a softer pencil than was the original writing.

Rosenthal is twenty-two years old. clerk, and lives at No. 46 East Broadway. The police gave his employers' name Sampson, Withaus & Withaus At noon to-day the Webster House wa

desed and the blinds were drawn. The blotter at East Twenty-secon street station shows that Rosenthal had "no effects" when searched. He has lost any jewelry or money.

Poison Oak

known of the many dangerous wild plants dangerous wild plants and shrubs. To touch or handle them quickly Extra good things usually bring produces swelling and inflammation, with intense itching and burn-

blisters and pustules appeared the poison had reached the blood, and will break out at regular intervals, and each time in a more aggravated form. This poison will loiter in the system for JAMES S. COWARD, years, and every atom of it must be forced out of the blood before you can expect a perfect, permanent cure.

Nature's Aptidote | Rebuilding Sale | 89c | mail orders filled on this price...... 89c | special." Nature's Poisons

is the only cure for Poison Oak, Poison ly, and all noxious plants. It is composed exclusively of roots and herbs. Now is the time to get the poison out of your system, as delay makes your condition worse. Don't experiment longer with salves, washes and soaps—

Mr. S. M. Marshall, bookkeeper for the Atlanta (Ga.) Gas Light Co., was poisoned with Poison Oak. He took Sulphur, Arsenic and various other drugs, and applied externally numerous lotions and salves with no benefit. At times the swelling and inflammation was so severe he was almost blind. For eight years the poison would break out every season. His condition was much improved after taking one bottle of S. S., and a few bottles cleared his blood of the poison, and all ovidences of the disease disappeared.

People are often poisoned without
